

B Lab is a nonprofit organization that serves a global movement of people using business as a force for good. The Swiss Triple Impact (STI) is a program that aims to transform businesses so that they have the social wellbeing and environmental concerns inspired by the Sustainable Development Goals (SDG) at their core. The STI is the first of its kind, promoting Switzerland as a leader in economic systemic change and a model for other countries around the globe.

We are looking for an

Impact Intern, Zurich (80%)

Your role

We are looking for a committed personality to strengthen the team, who, among other tasks, will participate to coordinate and support the implementation of the Swiss Triple Impact program. As a member of the B Lab team, you will for instance support the planning and implementation of workshops, coordinate the program's participants, set-up partnerships and support fundraising activities.

Are you

- familiar with the SDGs and used to quickly familiarizing yourself with complex issues outside your traditional discipline
- focused and organized with experience in project and event management
- self-managing, with a strong team spirit and adaptable to work in a dynamic and fast-moving environment
- an entrepreneurial personality who is proactive, shows initiative and at best has already initiated/managed/implemented own projects / willingness to grow
- a person with strong language (German, English, French) and Powerpoint and Excel skills
- trained or have a further education (min. Bachelor's Degree) in business management, economics, public administration, sustainable development, or engineering (or equivalent)

Place of work: Zurich

Salary: CHF 2.500/month

Start: As soon as possible

Duration: 12 months.

We thank you for your interest and look forward to receiving your complete application (CV, Cover letter, letters of recommendation) latest by 29 January to Josephine (josephine@blab-switzerland.ch).

As an EOE/AA employer, B Lab Switzerland will not discriminate in its employment practices due to an applicant's color, religion, sex, national origin, age, marital status, genetic information, sexual orientation, gender identity and expression or disability. B Lab Switzerland values diversity and inclusion and welcomes diverse candidates to apply.
